Polyps rating questionnaire

In this study we will present you 10 images of different polyps. Some of the images are from real polyps and some are generated (fake) polyps. We kindly ask you to look at the given image very carefully and answer some questions! Thanks a lot for your participation!

Please follow the following guidelines carefully before filling the form:

1. Please spend about 10s to look at an image.
2. Do not zoom images to inspect them. Use the original size of the image as given in the form.

Polyps rating questionnaire

In this study we will present you 10 images of different polyps. Some of the images are from real polyps and some are generated (fake) polyps. We kindly ask you to look at the given image very carefully and answer some questions! Thanks a lot for your participation!

Please follow the following guidelines carefully before filling the form:
1. Please spend about 10s to look at an image.
2. Do not zoom images to inspect them. Use the original size of the image as given in the form.
